Work Experience

Nexus Software | UI Design Intern
March 2018 - August 2018 | Kirtland, OH

I worked closely with the marketing and development team to help visualize and build a new product for the company. After wireframing, I created an extensive mockup in Axure RP to prototype the design for the developers.

Referrio | Digital Marketing Intern
June 2017 - August 2017 | Highland Heights, OH

I created written content for the company site, developed a digital marketing strategy utilizing SEO, and managed various social media accounts. I also worked on some front end web development projects for the company website.

CWRU | Lab Assistant
August 2015 - September 2016 | Cleveland, OH

I cleaned out labs while following the desired safety protocols, sorted glassware, and filed paperwork for the department.

Education

Case Western Reserve University
